Hey Charlie,

Attached is a letter from San Diego Wholesale stating they no longer want to do business with us. I believe this is in part due to them having to wait for T3s, which were ones we had to manually update from Genetek. Also, they are stating some licensing discrepancies from Gentek and the supplier in Puerto Rico.

As far as the T3s, Dakota and I always worked with them, to get them the T3s ASAP.

Thanks,

**Abbie Divilio** | Director of Compliance
